

YOUR NAME _____

At each reporting period, students in the advanced production and studio production courses will submit a report of their studies to the instructor. This report will represent the culmination of the studies completed thus far. Artifacts of the learning process will be presented in a professional format for the instructor. A peer review of the work will also be required for full credit.

Digital Project format:

- PowerPoint/Keynote
- Prezi
- Website i.e., Wix, Jimdo
- Google Slides
- PDF with Links
- Video
- Screencast
- Podcast
- Other _____

ASSESSMENT CRITERIA

- Achieved goal set for this learning period
- If objective changed, a clear explanation was provided
- Planned time wisely to meet the objective
- Used a timeline of when key components needed to be done.
- Created notes or a journal to document process
- Produced compositions, or interesting artifacts that demonstrate the growth in musical knowledge
- Quality of presentation represents the depth of knowledge and growth
- Self-reflective narrative is included with presentation, demonstrating an understanding of the learning process in a personalized learning classroom.
- A plan is offered for the next unit of study.... Goals and objectives, modifications to learning habits, etc.
- Peer reviewed work and provided a short narrative of their impressions of your work.
